

E.L.E.C Bulgaria organized for the second time the visit of the Director General of OIV (International Organisation of Vine and Wine), Paris to Bulgaria. During the two visits of Mr. Roca 18-20.02.2020 and 06-08.10.2021, a memorandum and a roadmap for joint activities between the OIV and Bulgaria were signed (Ministry of Agriculture, Food and Forestry, Ministry of Education and the University of Food Technology, Plovdiv).

As a result, the OIV will open an office for the Balkans and the Black Sea countries in Plovdiv and will open a Master's program in wine management, with partners as the University of Montpellier, France, the Polytechnic of Madrid and the University of Davis in California in the United States.

Please, find attached some Photos of the events during Mr. Roca's visit in Bulgaria
